

The image features a dark blue, textured background with a large, light blue rectangular frame. Inside the frame is a stylized, high-contrast graphic design. The design consists of a central horizontal band with the text "retro 1974" in a bold, sans-serif font. Above and below this band are symmetrical, abstract shapes that resemble stylized sunbursts or rays, composed of various geometric forms like triangles, circles, and arcs. The overall aesthetic is reminiscent of mid-century modern or retro design.

Each

has his

like each piece of  
a puzzle in the total  
picture of Wapella  
High School. As  
every piece is im-  
portant to the puzzle,  
every individual is im-  
portant to our school. With  
this idea in mind, our aim  
is to present every possible  
aspect of Wapella High. With  
over 125 students having diverse  
interests and personalities, it  
is a large order to fill.  
But together with a staff of  
11, we worked diligently to  
fill the following pages  
with a memorable inter-  
pretation of our  
lives during the past  
year.

# WE DEDICATE THIS 1974 RETRO TO . . .

Miss Connie Durbin, who with the many hours of overtime that she puts in has helped the Retro Staff get our book together for the past four years. She has truly been a guiding light to us all. Along with this, she also teaches all the business classes at Wapella High: Typing I and II, Office Practice, Shorthand I and II, and Accounting. She has been a Junior and Senior class sponsor, and a real friend to the students.

## I'LL BE HOME FOR CHRISTMAS

At 8:00 p.m. on the eve of December 15th, many starry-eyed students and alumni found themselves amidst a winter wonderland as they stepped onto the dance floor. The Homecoming Dance was a tremendous success with its snow-covered floor and brilliantly lighted Christmas tree. At the stroke of nine, in a glow of radiance, the king and queen's court entered the gym led by last year's king and queen, Jim Holland and Sheila Johnson. After hushed anticipation, Mrs. Collman announced that the new 1973 Homecoming King and Queen were Steve Wills and Rebecca Thorp. The runners-up for the title were John Marvel and Nan Brown. The other members of the court were Linda Lord and Lewis Thorp, Lynn Samuel and Steve Redman, Linda Woollen and Allen Washburn. After the excitement of the coronation, everyone continued dancing to the very end, to top off a perfect evening.

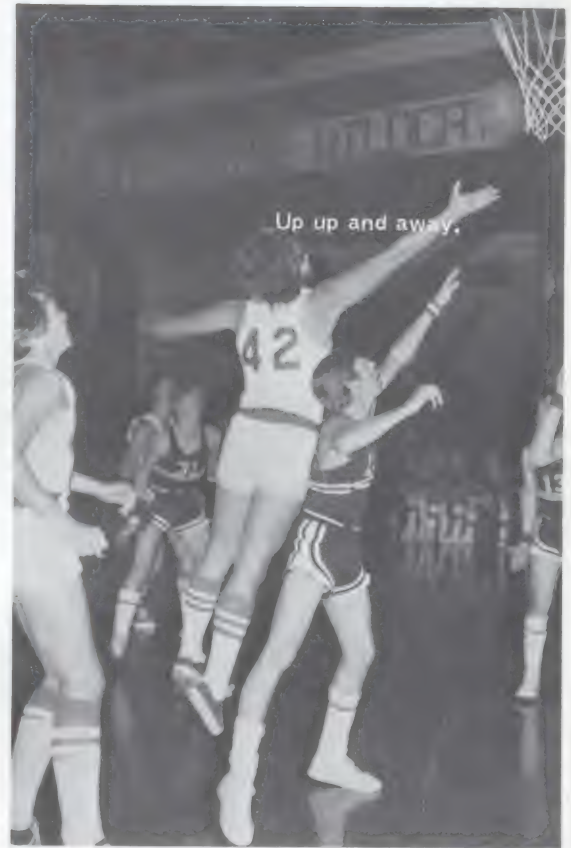

Even though the snow was continuing to drift, there was still a good turnout of enthusiastic fans. The Junior Varsity team put up a hard fight, but were still overcome by the Comanches. Between games some Art Club members presented to the school a handsome Wildcat mosaic. The Pom-Pom girls with braids and all, gave an outstanding performance to the beat of "Half Breed". The Varsity played an outstanding game even though they were defeated by the Saybrook-Arrowsmith team. The boys may not have won the game by score, but it was won in the hearts of the students.

## WAPELLA'S FOREIGN EXCHANGE STUDENT

The foreign exchange student of the 1973-1974 school year was Irma Desachy. Irma is from Mexico City. She is nineteen years old. Irma arrived in the United States on July 9. While here she lived with two families in Wapella. They were the Jim Clifton's and the Ronnie Fryman's. Irma was an active member in F.H.A. and G.A.A. F.H.A. was quite an experience for Irma, as she has never prepared food before.

Irma is now studying to be a dentist. Being a city girl she had quite a few different things in Wapella to get used to. She was fascinated by the chickens at Boring's and wanted to know if they were boy or girl chickens. Irma left for Mexico City on February 27. She said she would miss the town and all of her new found friends. She plans on coming back to see everyone soon.

IF ONLY I HAD SIGNED UP FOR THAT COURSE  
WHEN I WAS A FRESHMAN—NOW I'LL NEVER GET IT!

**ALLEN WASHBURN**  
Life has its funny little ups and  
downs...but its little ups are a lot  
funnier than its little downs.

**REBECCA THORP**  
If you love God, love yourself, and  
love others; then you'll love life  
and enjoy every precious minute of  
it!

**BECKIE CLIFTON**  
If you see someone without a smile,  
give them one of yours.

**KAREN HEDRICK**  
How beautiful a day can be when  
kindness touches it.

**STEVE REDMAN**  
No one conquers who doesn't fight.

MARIE ROEMER

I would suffer pain for him, I would die for him, I will live for him. I would do almost anything for him - especially love him.

JOHN MARVEL

In a blind man's world, a one-eyed man is king.

AARON LEGGETT

Silence is golden.

STEVE WILLS

Forget injuries, never forget kindness.

MARTHA KLEEMANN

Don't let your weakness destroy you. You know wherever you go the world will follow, so let your reasons be true to you.

**NAN BROWN**

Be kind to the world, let a song be your style, and no matter what happens, be ready to smile.

**LEWIS THORP**

I have never been hurt by something I have not said.

**KARLA IVES**

Dare to be different, and follow your own star!

**BILL EATON**

Why should the Devil have all the good times.

**PATTY KLEEMAN**

Life is just what you make it.

JACKIE SAPP

Very little is needed to make a happy life. It is all within yourself, in your way of thinking.

CHARLES MURPHY

Life is like a wheely, it has its ups and downs.

STEVE COHENOUR

Express yourself.

JOHN GARDNER

For yesterday is but a dream, and tomorrow is only a vision, but today well lived, makes yesterday a dream of happiness, and every tomorrow a vision of hope.

LINDA JO LORD

Security is knowing there's someone who CARES.

LYNN SAMUEL

The present interests me more than the past and the future more than the present.

SUSIE HARRIS

Today...the tender leaves of hope, tomorrow...blossoms.

LARRY McFARLAND

When in need of a helping hand, look first to the end of your sleeve.

LORETTA KARR

Never say anything that will not improve on silence.

LINDA WOOLLEN

As long as I have a smile on my face, a rose in my hand, and a Texan at my side; my life will be complete.

Miss Durbin thought that the bus ride was unBEARable!

Martha made a new friend at the zoo.

Good-bye cruel world!

Allen, we can curl your hair next.

But I don't WANT to get back in the boat.

It's party time in room number 115.

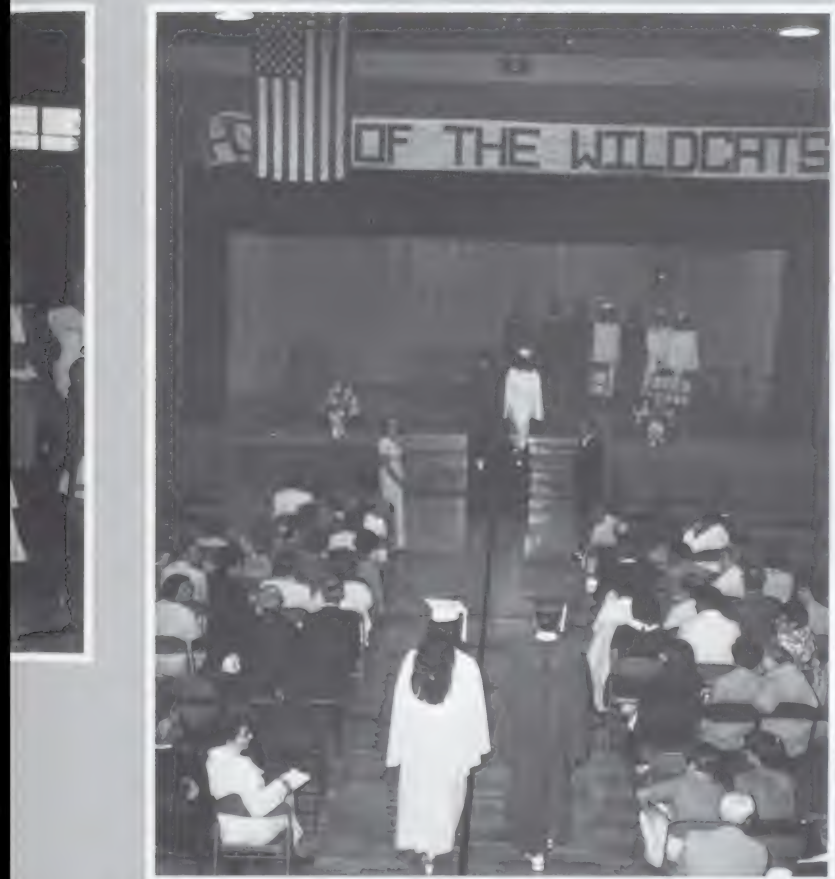

CONGRATULATIONS

I shall pass through this world but once,  
Any good, therefore, that I can do  
Or any kindness that I can show to any hu-  
man being  
Let me do it now. Let me not defer it nor  
neglect it  
For I shall pass this way but once.

CLASS OF '74

### THE BIGGER DAY

We are done with little thinking,  
And we're done with little deeds;  
We are done with petty conduct  
And we're done with narrow creeds;  
We have grown to men and women,  
And we've noble work to do,  
And today we are a people  
With a larger point of view.  
In a big way we must labor,  
If our flag shall always fly,  
In a big way some must suffer,  
In a big way some must die.

We must quit our little circles  
Where we move in little ways,  
And work as men and women  
For the bigger, better days.  
We must quit our selfish thinking  
And our narrow views and creeds,  
And as people, big and splendid  
We must do the bigger deeds.

G.E. Bishop
